Sleepy Little Baby

[*capo 2nd fret*]

```
D      Dma7-D   G    D     A    D
Sleepy lit- tle baby close your eyes

           G       D      A        D
As the sun-light's fading from the sky

D          Dma7 D  G        D     A   D
Close your pret-ty eyes and don't you weep

           G     D         A      D
Jesus will watch or'er you as you sleep

D       Dma7-D   G    D   A       D
Snuggle in   his arms and fear no harm

                 G     D       A        D
Through the dark hours slumber safe and warm

D     Dma7-D    G     D    A   D
Mommy and  your daddy love you so

              G   D         A      D
Love to watch you trust him as you grow
